Exhibitor's Feedback - IIOO EXPO

We are participating in IIOO Expo since the beginning. We consider it one of the major optical events in the India. Every year we are happy with the results of the exhibition as well as this year. This exhibition helps us, because every year I can see the success of the exhibition. We are satisfied with our results, with the number and the quantity of visitors every year and I think this year is very successful.

Mr Vikram Shah - Stylrite Optical Industries

It was indeed to have witness one of the largest gathering of Optician, Optometrist, Ophthalmologist from the region. We felt the exposure and visibility we got for our products with much inquiry in our kitty.

Mr. Ashish Gosalia - Spark Vision

We are a China based company with manufacturing plant in Guangzhou. We are regular at IIOO Expo. The exhibition itself ensures that we are meeting the right audience and creating our representation. IIOO Expo is a great place to explore.

Ms. Chen Su - Guangzhou Lianglong Glasses Co. Ltd.

The good thing about the exhibition is that everyone is here so we have the chance to meet everyone. It's easier to meet them all in one place than try to visit them one by one. If you are interested in the South Indian Market, you have to be here.

Mr. Anit Singh - Galorbay Optix India

"IIOO Expo has been good so far & we could meet plenty of optician & appoint distributor to explore a better future for our business. We would surely participate at the coming exhibition with a positive plan for the next exhibition.

Mr. Sanjeev Ranjan - Titan Eyewear

India has been evolving rapidly with growing demands for hi-tech & reliable product with focus on quality. "IIOO Expo" has been our tailored made solution to encapsulate India in one go.

Mr. Balaji - Mehra Eyetech

Apart from business IIOO Expo was important in terms of Customer Insight Analysis which allows you to identify patterns in their buying, learn about their business operation, including product lines and find out exactly what's important to them, we enjoyed being part of the show.

Mr. Yuvraj Sikriwal - Luxottica

"IIOO Expo" overall has always been contributing to our growth. The exhibition has been ensuring leads through B2B Meetings and Conferences. We have been regular at all the editions and certainly shall be at the coming Expo in Hyderabad.

Mr. Arvind Kasturi - Appasamy Associates
