ABOUT THE EXPO

IIOO Expo 2027 is a premier B2B exhibition dedicated to the optical, eyewear, ophthalmic, and vision care industry. The expo brings together leading manufacturers, distributors, retailers, importers, eye care professionals, and technology providers from across India.

The exhibition serves as a strong networking and business platform for companies looking to expand their presence in the rapidly growing South Asian optical market.

WHY PARTICIPATE?

Expand Your Business Network – Meet key decision-makers, distributors, retailers, and importers from Nepal and neighboring markets.

Launch New Products – Showcase your latest collections, technologies, and innovations directly to industry professionals.

Build Brand Visibility – Strengthen your market presence through direct interaction with buyers and industry experts.

Explore Emerging Markets – Nepal's optical industry is rapidly growing, creating strong opportunities for international and regional brands.

Generate Business Leads – Connect with genuine trade buyers looking for partnerships, dealership opportunities, and sourcing solutions.
